The truth was that it was only a month until my nineteenth birthday
Even like this, I'm actually twenty three
A small lie made in the hopes of being looked upon as a woman
That was the beginning of everything.

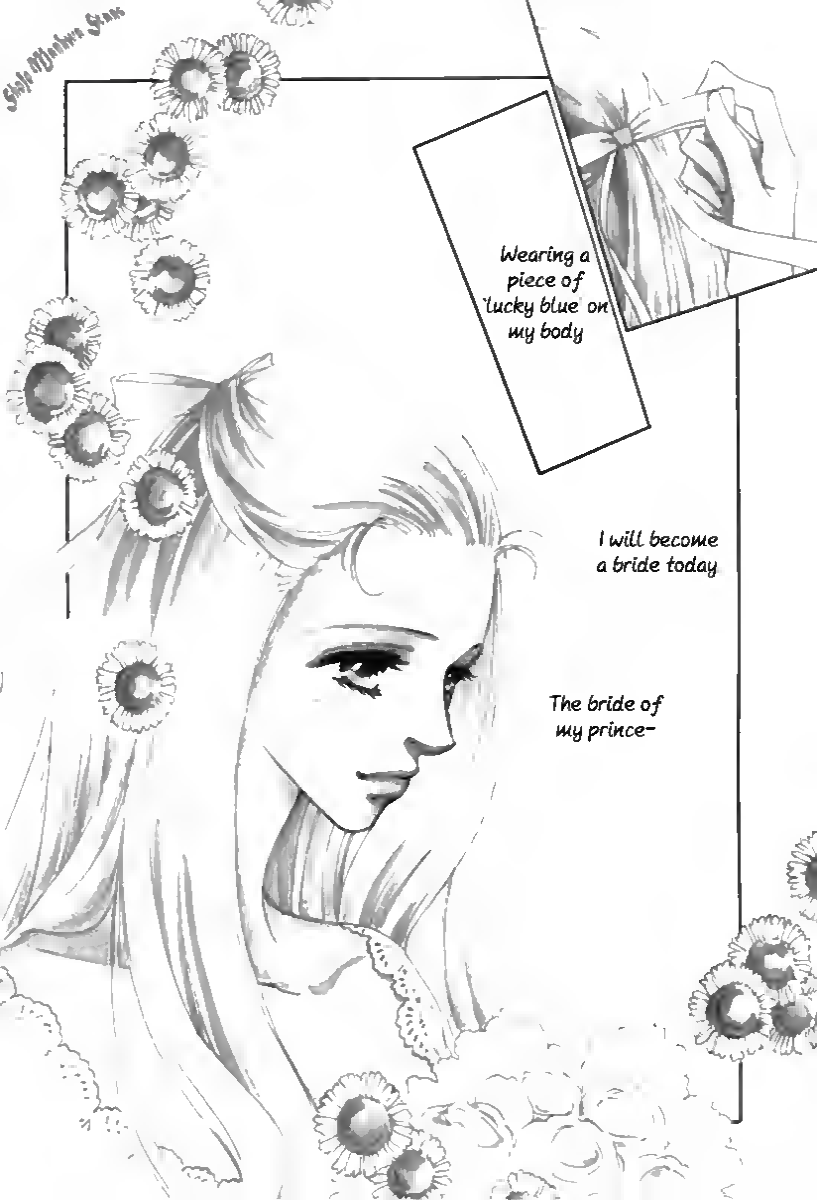
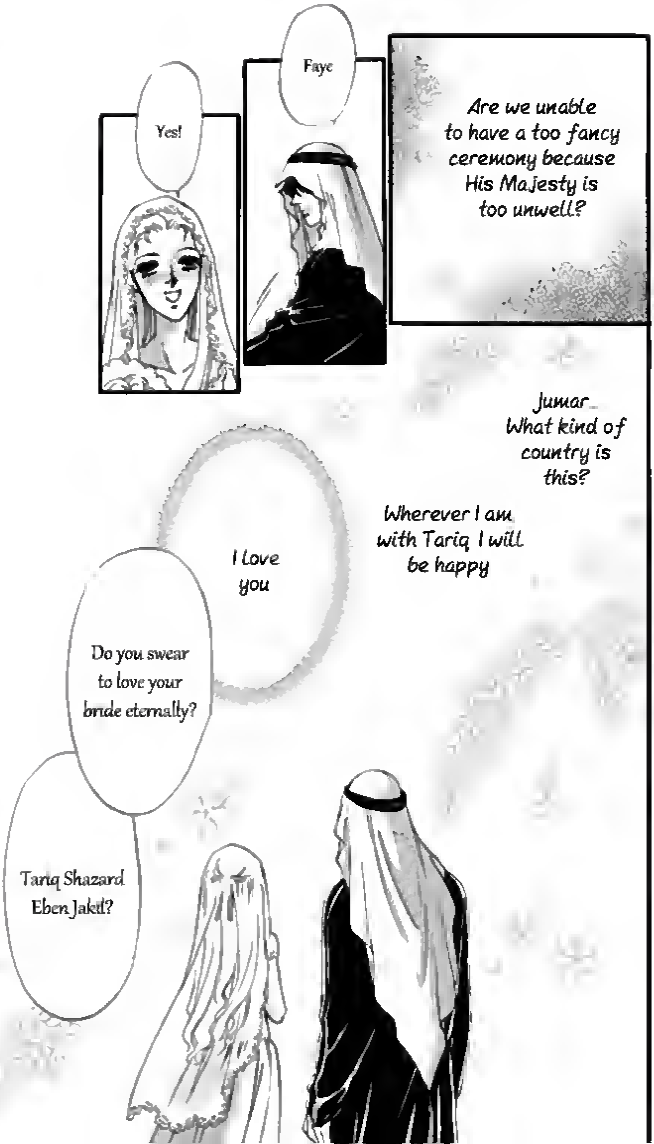
LONDON
EMBASSY OF THE JUMAR KINGDOM
Miss Rosen, please come this way.
The ceremony will begin soon.
Ceremony
Wedding ceremony
I can't believe it
To think that I'm marrying Tariq



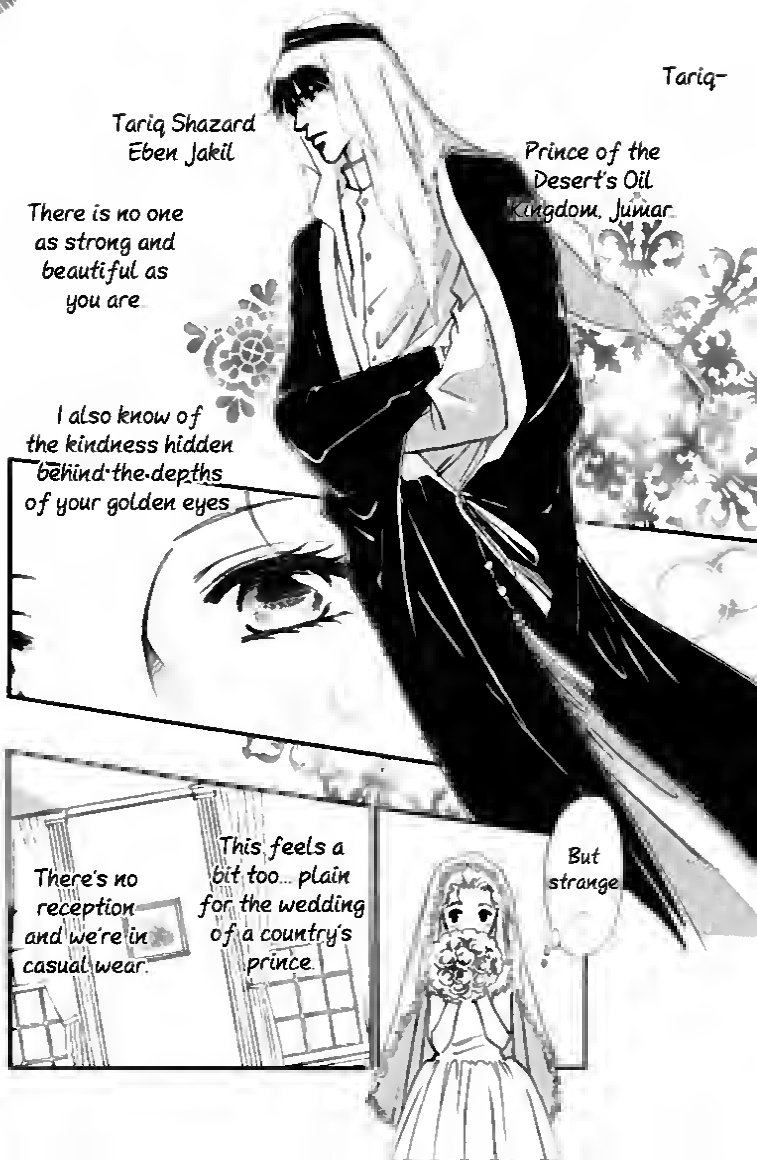
Wearing a piece of 'lucky blue' on my body
I will become a bride today
The bride of my prince-

Shojo Mfanhwa Scans



Yes!
Faye
Are we unable to have a too fancy ceremony because His Majesty is too unwell?
Jumar... What kind of country is this?
Wherever I am with Tariq I will be happy
I love you
Do you swear to love your bride eternally?
Tariq Shazard Eben Jakil?

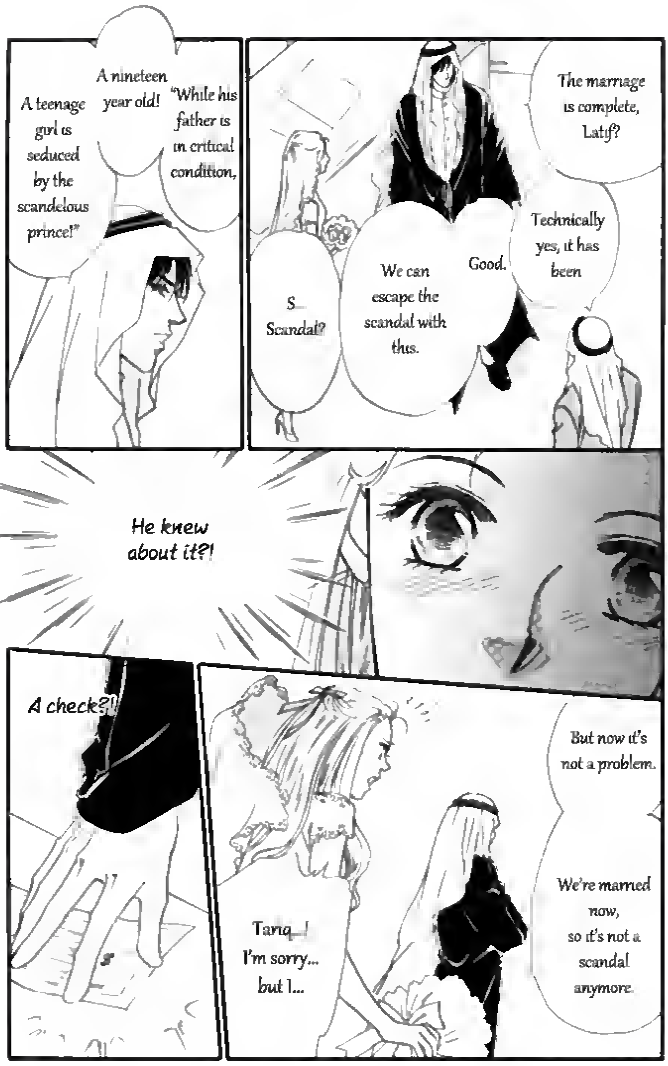
Shojo Mfanhwa Scans



Tariq-
Tariq Shazard Eben Jakil
Prince of the Desert's Oil Kingdom, Jumar
There is no one as strong and beautiful as you are
I also know of the kindness hidden behind the depths of your golden eyes
This feels a bit too... plain for the wedding of a country's prince
There's no reception and we're in casual wear
But strange

Why are you asking this now ?
Yes. I am.
Why
You are really twenty-three, correct?
Before I pledge myself to you, I have one question, Faye.
I see.
Then, the kiss of the vow.
What?!
This is enough.

Shojo Mfanhwa Scans



"While his father is in critical condition,
A nineteen year old!
A teenage girl is seduced by the scandelous prince!"
The marriage is complete, Latif?
Technically yes, it has been
Good.
We can escape the scandal with this.
S... Scandal?
He knew about it?!
But now it's not a problem.
We're married now, so it's not a scandal anymore.
Tariq... I'm sorry... but I...
A check?!

Girls Manhwa Scans

A check?!
It's £500,000. It should be enough to cut off our relations.
Wait a minute Tariq!
I don't understand what you're saying!
Didn't we just get married?!
That's right
A marriage for formalities alone.
A foolish wedding ceremony used to avoid the scandals.
Of course, we will get divorced soon enough!
That's mine.
What does it all mean?!
I don't understand
Only for formalities?! In order to avoid the scandal ?
Divorce?!

Shojo Mfanhwa Scans

What?! Why are you here?!
What is that check?!
PERCY?!
Good job, Faye.
£500,000, that's exactly what we needed!
Yes, it's mine!
I've never seen Tariq with such an angry expression.
What's going on right now?
Greed...?
I've lost hands down to you father-daughter pair.
Though you are not related by blood, you both share the same overwhelming greed.
How impertinent! Are you still presuming that innocent facade?
Pretending to be twenty-three and seducing me when you are actually nineteen years old...
Then using that to threaten me, you greedy father-daughter pair!

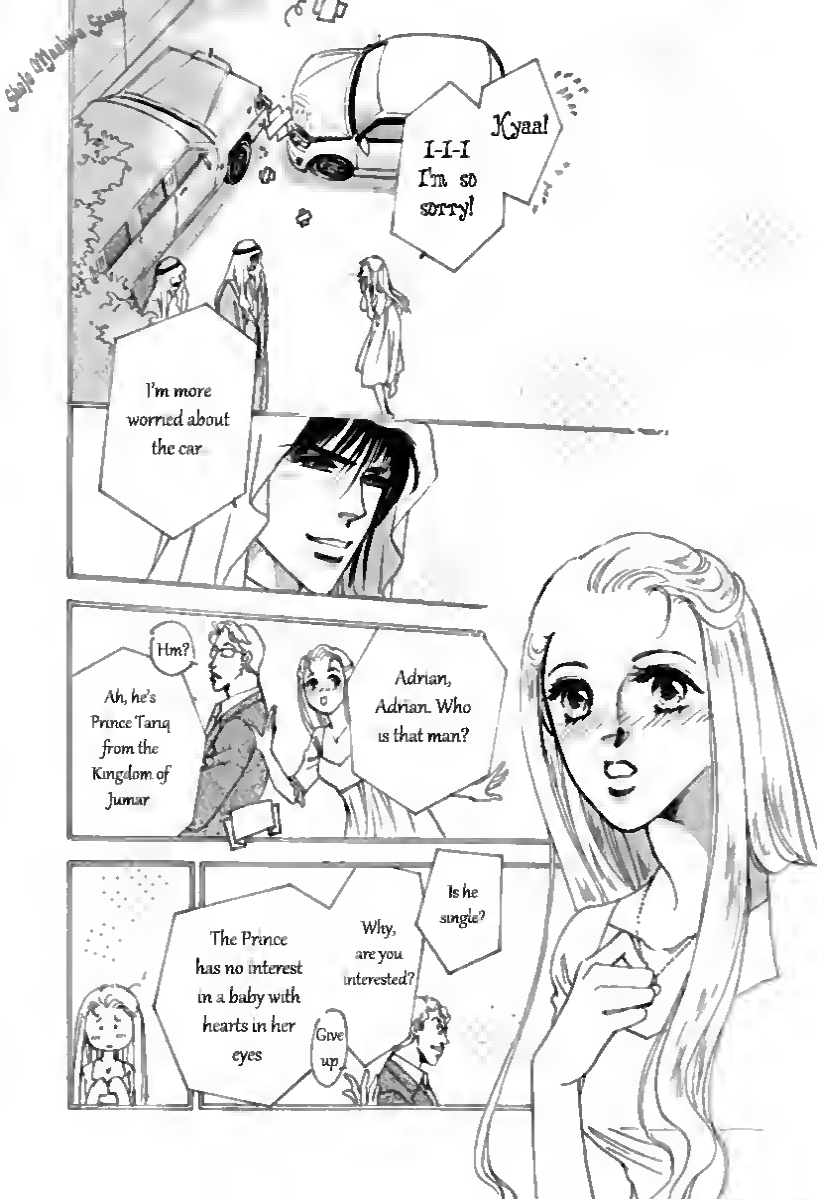
Shojo Mystique Scans

It's rude to call it threatening
I only gave you a warning
...PERCY!
Tariq?!
Threaten?!
Is that the truth?! That you
!
Apologize! Return that check immediately!
Quit playing around.
I gave you one last chance before the pledge
I asked if you were truly twenty- three years old.
Ah-
I planned on forgeving you if you told me the truth and apologized.
Faye Rosen
.

YOU ARE A GREEDY LIAR!
I DON'T WANT TO SEE YOUR FACE.
DON'T INTERFERE WITH MY LIFE EVER AGAIN!
W Wait a minute
Then this wedding
While planning to divorce ?
It was a lie from the very beginning?

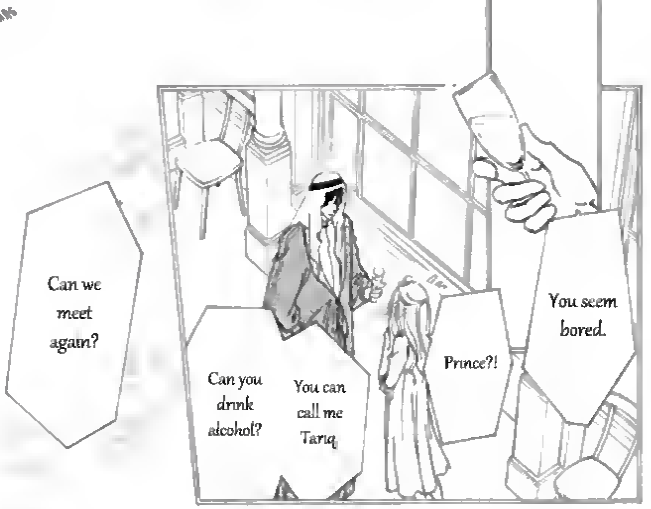
Even that moonlit proposal ...
Was it all a lie?!
Of course.

That's too much ..!
TARIQ!



Kyaa!
I-I-I I'm so sorry!
I'm more worried about the car
Adrian, Adrian. Who is that man?
Hm?
Ah, he's Prince Tariq from the Kingdom of Jumar
Is he single?
Why, are you interested?
The Prince has no interest in a baby with hearts in her eyes
Give up.

Shojo Mfanhwa Scans

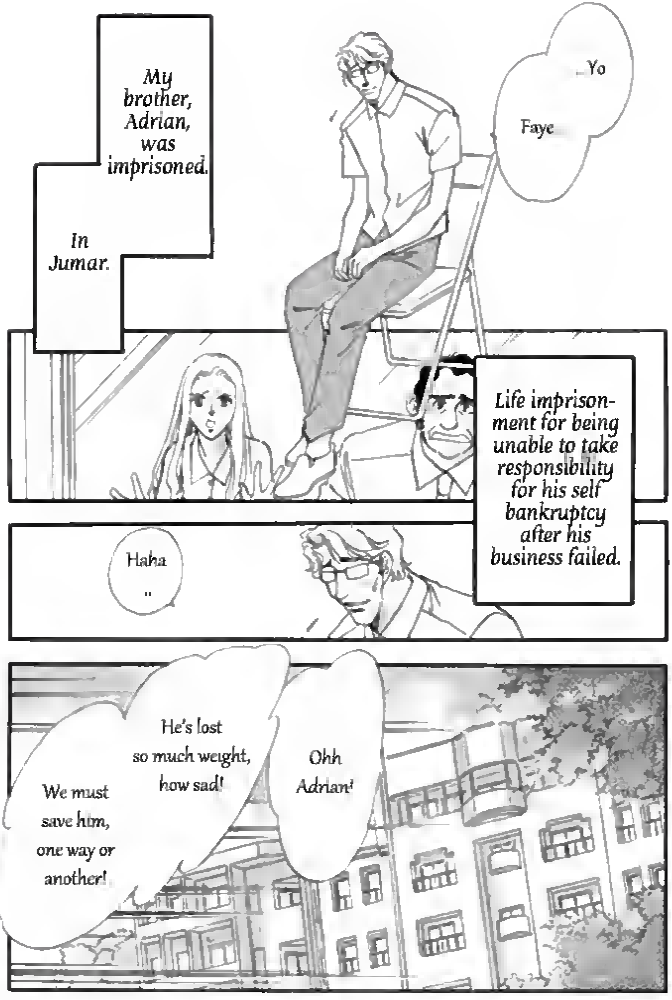


-Always

I've loved you always .

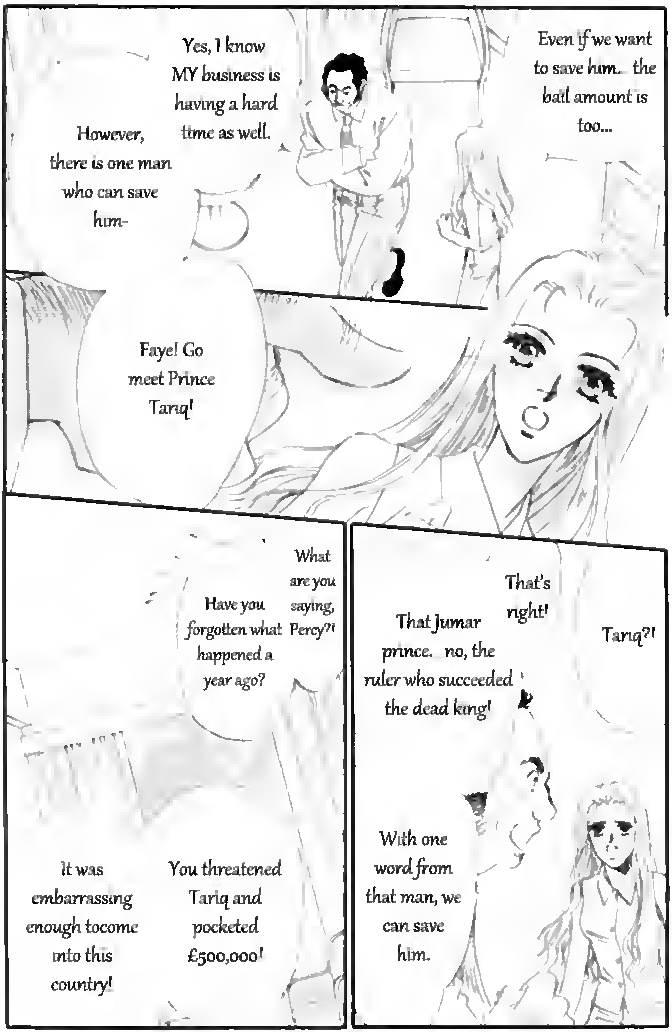
Shojo Mystique Scans

Shojo Mfanhwa Scans



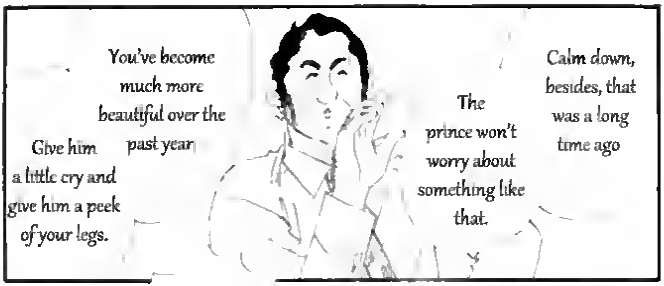
My brother, Adrian, was imprisoned.
In Jumar.
..Yo
Faye
Life imprisonment for being unable to take responsibility for his self bankruptcy after his business failed.
Haha
..
We must save him, one way or another!
He's lost so much weight, how sad!
Ohh Adrian!

Shop Mistletoe Skies



Yes, I know MY business is having a hard time as well.
However, there is one man who can save him-
Even if we want to save him... the bail amount is too...
Faye! Go meet Prince Tariq!
What are you saying, Percy?!
Have you forgotten what happened a year ago?
It was embarrassing enough tocome into this country!
You threatened Tariq and pocketed £500,000!
That's right!
Tariq?!
That Jumar prince... no, the ruler who succeeded the dead king!
With one word from that man, we can save him.

Shaja Nfanhwa Scans



You've become much more beautiful over the past year
Give him a little cry and give him a peek of your legs.
The prince won't worry about something like that.
Calm down, besides, that was a long time ago

I've ultimately come

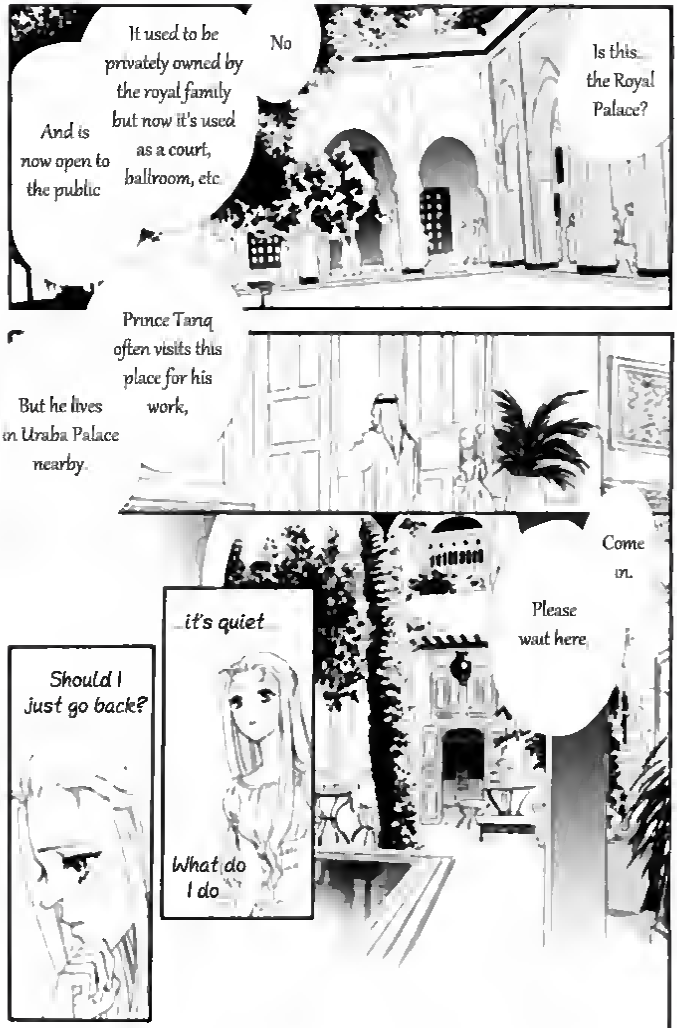
Jumar.

Persia's only petroleum kingdom

The country of Tariq's birth and the country he is ruling

Am I having trouble breathing because of the heat?
Or is it because I am about to see him..?
HAJA YOSE
We've been expecting you, Miss Faye
Come this way I will lead you.
I am honored that you remember.
Latif!
Latif, right? Tariq's right hand!
I've missed you.

Shojo Manhwa Scans



Is this the Royal Palace?
No
It used to be privately owned by the royal family but now it's used as a court, ballroom, etc.
And is now open to the public
Prince Tariq often visits this place for his work,
But he lives in Uraba Palace nearby.
Come in.
Please wait here.
...it's quiet
What do I do
Should I just go back?
